Financial Assistance for School and Athletics Fees

Policy - District Wide

Windsor is committed to providing extracurricular opportunities for all students. We recognize that the cost of participating in school activities and athletics can create financial challenges for some families, and we want to provide support where possible so that financial circumstances do not unnecessarily prevent students from participating.

Families who require financial assistance are asked to apply through the school administration. All requests for financial support will be reviewed confidentially and on an individual basis.

School-Based Financial Assistance

- ▶ **Athletics Fees:** Up to 50% of athletics fees may be covered by the school.
- ▶ **School Fees:** Up to 100% of eligible school fees may be covered.
- ▶ **Annual Maximum:** School-based financial assistance will be limited to a maximum of **\$200 per student, per school year**, across all eligible school and athletics fees.

Establishing a defined annual limit allows Windsor to continue providing meaningful assistance to families while maintaining sustainable operating budgets for school and athletics programs.

Student Opportunities to Offset Athletics Fees

Student-athletes may have opportunities to earn credit toward their athletics fees by assisting with approved athletics activities, such as scorekeeping, minor officiating, tournament support, or other event-related responsibilities. Availability will depend on the needs of the athletics program, and participation is voluntary.

- ▶ These opportunities are separate from the school's financial assistance process and are available regardless of whether a family has applied for financial support.

Community Financial Support

- ▶ Families are also encouraged to explore financial assistance available through community organizations. Programs such as **KidSport**, **Athletics for Kids (A4K)**, and **Canadian Tire Jumpstart** may provide additional support for youth sport participation.
- ▶ **KidSport**
 - Contact: kidsportvancouver@sportbc.com
- ▶ **Athletics for Kids (A4K)**
 - Application: **Athletics for Kids - Application Form**
 - Additional information is available through the Athletics for Kids website.
- ▶ **Canadian Tire Jumpstart**
 - Applications can be submitted through the **Canadian Tire Jumpstart Individual Child Grant** program.

Our Goal

- ▶ Our goal is to ensure that financial circumstances do not unnecessarily prevent students from participating in school activities and athletics, while creating a clear, equitable, and sustainable process for providing financial assistance.
