

Dear Windsor Secondary Students and Parents,

As we prepare for the 2026/27 school year, I encourage you to consider becoming part of something bigger than yourself by joining the Windsor Football Program.

Football is more than a sport. It's an opportunity to challenge yourself, build confidence, develop leadership skills, and create friendships that often last a lifetime. Whether you've played for years or have never put on a helmet before, there is a place for you on our team.

Our program is built on hard work, accountability, respect, and teamwork. Every practice is an opportunity to improve—not just as an athlete, but as a person. You'll learn how to overcome adversity, support your teammates, and push yourself beyond what you thought was possible.

Playing football at Windsor means representing your school with pride. You'll compete alongside classmates who share a common goal, experience the excitement in games, and become part of a tradition that extends well beyond graduation.

You don't need to be the biggest, fastest, or strongest to start. All we ask is that you come ready to work, learn, and be part of the team. Our coaches are committed to helping every player develop, regardless of experience. Our mission is to use the game of football to teach young men how to be successful at home, in the classroom, in the community and in life after football.

If you're looking for a challenge, a community, and an experience you'll remember for years to come, we invite you to join the Windsor Secondary Football Program.

Take the first step. Come out to a practice, meet the coaches and players, and see what Windsor Football is all about.

Registration is open at the links below – register for the grade you will be in as of September 2026. Please note that the registration will indicate a zero fee but the program fees will be added to the School Cash Online in September.
